I, **RANDY DEWAYNE PITTMAN**, enter this Declaration into the record. All statements in this Declaration are true and correct to the best of my knowledge and belief.

I was formerly incarcerated in the federal prison system where I met Mr. Amuso. While incarcerated I told Mr. Amuso that I would help him file a motion for compassionate release when I got out of the prison system if he wanted me to. Mr. Amuso told me he would be delighted to have my assistance. I told him I would reach out to him once I was no longer in custody.

I corresponded with someone who was incarcerated in the same housing unit with Mr. Amuso. I asked them to see if Mr. Amuso still wanted me to file the motion for compassionate release. I relayed to Mr. Amuso that I had basically extracted the previously-filed motion for compassionate release and

1 would simply update the information to his relevant condition and file that motion on his behalf. I was
2 given authorization to file the motion for compassionate release.

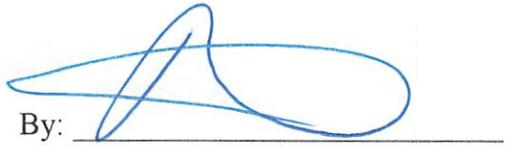

3 After filing the motion for compassionate release I was contacted by another prisoner at FCI
4 Butner and told that Mr. Amuso had changed his mind and did not want to pursue compassionate
5 release anymore. I made it clear that the motion had already been sent to the Court and then I was told
6 that Mr. Amuso had also filed a motion to strike the filed motion.

7 I do not know why I was given incorrect information because I would have certainly never done
8 the arduous work that was required to prepare the motion and send it to the Court on Mr. Amuso's
9 behalf. I certainly wouldn't have spent the money to serve the motion on the Court using the Priority
Mail product.

10 I guess it is possible that Mr. Amuso's cognitive ability is failing and he simply did not recall
11 telling the other inmate to tell me to file the motion. I don't know nor does it matter. What matters is
12 that Mr. Amuso has now asked to strike the motion and I'm filing this Declaration to notify the Court
13 of this action.

14 With this said, I do apologize to the Court for wasting judicial resources in this matter. I would
15 have never moved forward with the motion had I not been given authority to do so. It is possible that
16 Mr. Amuso simply didn't remember telling the other inmate to ask me to move forward with the
17 motion. Either way, I now understand that Mr. Amuso wants to strike the motion so I'd just ask the
18 Court to honor Mr. Amuso's wishes and strike the motion that was filed on May 25, 2025.
